

## Subsequent Logins

### Step 1: Enter User Name and Password

Log in to my account

Username

Password

Log in

### Step 2: Verify your identity (if you didn't register your computer)

Is this really you?

Looks like you're logging in from a new computer. To verify your identity and protect your account, we're going to send you a verification code to type in.

How do you want to be verified?

Send a verification code

Call me Text me

Email me

Common Problems

[I don't have access to verification option\(s\) listed on this page](#)

[Why must I complete this step again? I opted to remember my device last time](#)

Message and data rates may apply for text option. For help or information send "help" to 44833. To cancel at anytime send "stop" to 44833. By clicking Text me button you agree to the [Terms and Conditions and Privacy Policy](#).

### Step 3: Input your Verification Code

Please verify your contact information.

Within a minute, you'll receive a verification code at [ifs.usp.idc@gmail.com](mailto:ifs.usp.idc@gmail.com)

Once you receive the code just type it in. [Open a new browser window](#) to check your email.

Enter verification code here Didn't get the code?

Save time by registering your computer.

If this is your personal computer, register it now. We won't need to contact you the next time you log in.

Yes, register my private computer. No, this is a public computer.

Enter Verification Code

Codes expire after 10 minutes and consist of 6 random digits.

If you are on your personal computer, you should register it (by clicking "Yes, this is a private computer"). If you are on a public computer, you should choose "No, this is a public computer". Either button, takes you in to Online Banking.
